

Notes on American Gesneriaceae VIII

A. J. M. Leeuwenberg
Laboratory of Plant Taxonomy and Plant Geography
Wageningen, Netherlands

Drymonia psilocalyx Leeuwenberg, nom. nov.

Basionym: Drymonia psila Leeuwenberg, Misc. Papers Landbouwh. Wageningen 19: 239. 1980, not Drymonia psila D. Gibson, Phytologia 23: 335. 1972.

The present author is much obliged to Dr. L. E. Skog of the Smithsonian Institution who kindly informed him about having missed the earlier homonym for a species he described.
